Re: Application No. 10/683,833, Examiner: Geoffrey S. Evans, Art Unit: 1725, Office Action
Summary mailed 02/10/2005.

REMARKS: I am faxing 2 copies as requested per Examiner, Geoffrey S. Evans: 1.) the Original version which is "marked-up" with the recommended changes, and 2.) the Substitute version which contains **no new matter**. Patent Examiner, Geoffrey S. Evans, has **authorized and approved** the following changes making this application in condition for allowance:

1.) a "Detailed Description of the Invention" was placed after the "Summary of the Invention".

The first sentence in the section labeled "Summary of the Invention" was sufficient for that section, and the rest of the text was placed under the heading "Detailed Description of the Invention".

No new matter was added.

2.) in the "Abstract" the word "alongwith" was a typographical error and corrected to "along with", and the word "whereby" was changed to "such as".

3.) in Claim 1 on line 3 "alongwith" was a typographical error and corrected to "along with".

4.) in Claim 1 on lines 6 and 7 the words "you choose" were changed to "the user chooses", and on line 8 the words "you wish" were changed to "the user wishes".

This substitute contains no new matter :
